

EXPERIENCE

IQTech Consultant, LLC Remote
Salesforce Administrator / Consultant (Contract) 04/2021 - Present

- Work directly with clients, execute managers, and decision-makers to understand CRM business requirements and translate them into Salesforce design, automation, and integration.
- Setup customized SFDC applications to match the organization's and its clients' functional needs.
- Implement organizational security baseline, object, and field level security to hide users' critical information.
- Integrated Salesforce with React using JSforce as the client and Lightning Design System in a React application.

MThree / Wiley Edge Remote
Alumni Trainee 01/2022 - Present

- Received certification in Front End Application Development and Salesforce Administration and Development
- Awarded MVP award for excellence in innovation and creativity
- Implement languages and frameworks such as Node, Express, React JS, Angular, NextJS, JavaScript, TypeScript and MongoDB

Pavilion Barber Shop New York, NY
Webmaster, pavilionbarbershop.com 06/2022 - Present

- Collaborate with client to design client-facing business website.
- Design, build, and host using WordPress in conjunction with custom HTML, CSS, and a client-requested theme.
- Incorporate Appointment Scheduling and Google AdWords for SEO.
- Provide technical support and maintenance and make any requested changes.

TECHNICAL PROJECTS

Portfolio - [Github](#)

- A professional, responsive, and template-free portfolio website.
- Developed with Next.js, in conjunction with TailwindCSS for styling and Canva for creating the logo.
- Improved performance by converting images to .webp and transforming my existing react portfolio to a Next.js one.

Recipe App - [Github](#)

- Recipe tracker app for those who love to cook and want to catalog their delicious creations
- Designed with React in conjunction with Tailwind CSS and utilized Ruby on Rails for the backend.
- Ensured dynamic client-side routing with React-Router and secured image uploading by configuring ActiveStorage with CORS.

Tutoring App - [Github](#)

- An app that allows students to find, filter, sort quickly or schedule an appointment for a subject
- Developed with Ruby on Rails and designed with TailwindCSS, Canva, and Giphy.
- Utilized a delegated authorization framework (OAuth) to implement Google Authentication of Users

Front End Application Development

Issued by [Wiley Edge](#)

This course provides an introduction to Web development, including HTML5, CSS3, and JavaScript. Learners will build on those skills to create modern web applications using Node.js, React, and GraphQL. It also includes a module on MongoDB to introduce participants to concepts related to NoSQL databases. Participants also use the following tools: Git, GitHub, REST, and One App.

Skills

Earning Criteria

Completion of the mthree Global Academy Front End Application Development course.

Salesforce Administration and Development

Issued by [Wiley Edge](#)

This course provides participants with a hands-on learning experience in the skills required to administer a Salesforce instance and customize the instance to meet a client's unique needs. Participants manage users, create applications, and control data in Salesforce.

Skills

Earning Criteria

Completion of the Wiley Edge Global Academy Salesforce Administration and Development training course.

Adam Weissman · 1st

SFCC Back End Developer at BORN Group

May 15, 2021, Adam was Dmitry's mentor

All LinkedIn members

On

I know Dmitry from Flatiron School when he was a student and I was coaching... it was always a pleasure to work with him as he truly embodied the ideal of a lifelong learner. He was dedicated to the craft of code and strong on soft skills which would make him an asset on any team!

Dakota Lee Martinez · 1st

Lecturer, Software Engineering at Flatiron School

May 11, 2021, Dakota Lee was Dmitry's teacher

All LinkedIn members

On

Dmitry is one of the most conscientious and dedicated students I've had the pleasure of teaching. He is always eager to learn and to help others do so. Dmitry is willing to put in the work it takes to achieve mastery and has a good sense of when he needs to ask for help. He takes detailed notes, conducts thorough research, delivers helpful feedback and suggestions, and shares resources to help others. Dmitry was a huge asset to me as a teacher and to our cohort of students. I have no doubt he will make a valuable contribution to any team he joins.

Iris Gretano · 1st

Developmental Trainer at Freelance

October 26, 2016, Iris worked with Dmitry but on different teams

All LinkedIn members

Dmitry is intelligent, very detailed oriented, inquisitive, caring, gives great presentations and is a fine leader. He is also resourceful and researches to ensure that his groups have the best experience possible in a warm and caring environment.

Yakov Fattakhov · 1st

Pharmacist

May 31, 2016, Yakov was Dmitry's teacher

All LinkedIn members

On

I had a pleasure of teaching Dmitry in the subjects of Pharmacology and Chemistry. He proved to be a curious and interested individual that wanted to learn more and advance his understanding.

Yakov Fattakhov, Pharm D.

Tanya Gendelman, Esq. · 1st

Principal at Law Offices of Tanya Gendelman, P.C.

May 31, 2016, Tanya worked with Dmitry but on different teams

All LinkedIn members

On

I had the pleasure of meeting Dmitry at the meetup event he organized in Brooklyn, NY. I found him to be intelligent, well organized, extroverted, charismatic and social. I recently became one of the sponsors of two of his meetup groups.

Dexter St Hillaire · 1st

Sales Manager at Face To Face Sales Solutions/Verizon

September 14, 2015, Dexter managed Dmitry directly

All LinkedIn members

On

I've had the pleasure to work with Dmitry both in the field and in the office. He has a great student mentality, and he is willing to learn what's necessary to get the job done. He takes pride in his work, and would be a great asset to any employer.
